Re: Medical Device Regulation (EU) 2017/745

Product Name/Item No.

DYNAFLEX™ G2711-1000-00 / EM1001609610

Dear Valued Customer:

Based on information provided to Avient Corporation (formerly PolyOne Corporation) by its raw material suppliers and our formulation reviews, we confirm that the above Avient product(s) does not contain the following substances¹ at concentrations above 0.1% weight-by-weight (w/w):

- **CMR (Carcinogenic, Mutagenic, or Reprotoxic) Category 1A or 1B substances** in accordance with Part 3 of Annex VI of Regulation (EC) No 1272/2008.
- **Endocrine-disrupting substances** for which there is scientific evidence of probable serious effects to human health and which are identified either in accordance with the procedure set out in Article 59 of Regulation (EC) No. 1907/2006 or, once a delegated act has been adopted by the Commission pursuant to the first subparagraph of Article 5(3) of Regulation (EU) No. 528/2012 of the European Parliament and the Council.

Please note we do not routinely test for these materials. We certify that we do not intentionally add or use these materials in the manufacture or handling of the above product. The information submitted is valid as of the date of this letter. Avient makes no representations or warranties as to the accuracy of the information contained or referenced herein as of any other date.

If you have any questions concerning this matter or if we can be of further assistance, please do not hesitate to contact us. Please contact your Avient Corporation Sales Representative should you need additional GLS Thermoplastic Elastomer product support.

This document has been prepared by the Avient Global Product Stewardship group. It has been transmitted electronically and is valid without a signature.

Sincerely,

Avient Global Product Stewardship
