Substances of Concern (SOC)

Avient Code	Description
EM1002025460	RT3830-549 Natural

Introduction

All statements refer exclusively to the named product in its current formulation: they are based on the present state of our knowledge and experience and concern the product in its original form and packaging as supplied from our factory.

Since Avient Corporation has no influence on subsequent processing, the processor himself is responsible for ensuring that the finished article is suitable for the intended use, and for ascertaining the compliance of the end article with the national and international regulations and laws concerning its application field. Due to the broad range of possible applications, we make no warranty that the actual use of the product in the finished article is comprised by the information below.

Absence declaration

Having analyzed the information provided by our raw materials suppliers, we declare hereby that according to the recipes or manufacturing processes of above-mentioned product, Avient Corporation does not intentionally add any of the following substance(s):

- Latex/Natural Rubber (9006-04-6) and Silicon(e) (7440-21-3) (90337-93-2) (94363-18-5)

These substances were not used as starting materials in Avient’s manufacturing process but, on the basis of our current knowledge, we cannot give you any warranty they are not constitutionally contained (or are present at level of traces) in raw materials. The above-mentioned product(s) has not been tested with respect to the substances stated. This investigation does not form part of our quality and production controls.

The information provided pursuant to current regulations is valid as of the date of this letter and from one-year following its issuance or until changes of the cited regulations become effective whichever comes earlier. Avient makes no representations or warranties as to the accuracy of the information contained or referenced as of any other date.

Yours Sincerely,
Avient Global Product Stewardship
