**Re: European Union REACH Directive Substances of Very High Concern (SVHC):**

**Product Name/Number**

**DYNAFLEX™ G2711-1000-00 / EM1001609610**

Dear Valued Customer:

Thank you for your inquiry regarding the European Union (EU) Directive covering the Registration, Evaluation, Authorization and Restriction of Chemicals (REACH) SVHC Candidate List and the above Avient Corporation (formerly PolyOne Corporation) product(s).

Based on the information provided to Avient by its raw material suppliers and our formulation reviews, we confirm that the above Avient product(s) should not contain REACH SVHC Candidate list materials above the applicable threshold (0.1%) as updated by the European Chemical Agency as of **June 10, 2022** (224 substances).

The current Candidate list of SVHC substances can be located at <http://echa.europa.eu/candidate-list-table>

Please note we do not routinely test for these materials. The information submitted is valid as of the date of this letter. Avient makes no representations or warranties as to the accuracy of the information contained or referenced herein as of any other date.

Please contact your Avient Corporation Sales Representative should you need additional GLS Thermoplastic Elastomer product support. Also, additional information regarding REACH is available at the following website: [http://echa.europa.eu/home\\_en.asp](http://echa.europa.eu/home_en.asp)

This document has been prepared by the Avient Global Product Stewardship group. It has been transmitted electronically and is valid without a signature.

Sincerely,

Avient Global Product Stewardship
